Tender Notice

Mercy Corps is a leading global organization powered by the belief that a better world is possible. In disasters and hardship, in more than 40 countries around the world, we partner to put bold solutions into action — helping people triumph over adversity and build stronger communities from within. Mercy Corps has been operating in Nepal since 2005, implementing programmes in food security, agriculture, market development, financial services, girls' education, climate change adaptation and disaster risk reduction. We use a systems-based approach in our programming, to improve the lives and potential of vulnerable individuals and communities across Nepal.

Mercy Corps is seeking a consultancy firm/Individuals to conduct the study is to generate learning across M-RED program implementing countries, to paint a comprehensive picture of enablers and barriers to sustainability of disaster-readiness initiatives and inform future DRR funding strategies. The study covers program areas across three countries in Asia: Indonesia, Nepal and Timor-Leste, that intends on generating evidence on the sustainability of disaster-readiness interventions
